

Toad Crossing Data Module

Go to: <https://groups.arguk.org/hiwarg>

Click on Join up or log in - Members sign in here. (Just use the email address & password that was sent to you when you signed up or use the "Forgotten password" option to reset your password.)

Once in the member's portal - Click on Amphibian Surveyors - On-line Reporting - Toad Crossing Reporting.

Your name & email are filled in by default.

Click on the Toad Crossing bar (1) & crossing list drops down. Select Crossing name.

Select patrol start & end date & Time (1). (Note: This has particular parameters attached to it so must be correct or it will flag up an error message) e.g. only data for 1 day to be entered per report submission.
